

REASONS YOU SHOULD OUTSOURCE YOUR BILLING

- 1. Avoid buying expensive billing software and computers**
- 2. Concentrate on what you do best-caring for patients**
- 3. Halt hiring and training billing staff**
- 4. Stop delays due to vacation/sick time/turnover**
- 5. Reduce expenses:salaries/benefits/computer hardware and software**
- 6. Cut down on education expenses.**
- 7. Improvement in collections, getting in money faster**

Peace of Mind Billing LLC can help you with all the above. In the billing business for over 20 years, our staff is very well versed in medical billing/collections/coding/credentialing.

We have helped many practices increase their profits by as much as 20 to 30 percent, by changing the above reasons.

Call now and let us help you save money and take the stress of the day to day billing away from you so you can put your energies to your patients.
