

Peace of Mind Billing LLC

Thank you for your interest in Peace of Mind Billing LLC dba Peace of Mind Solutions. We have been in business since 2006 servicing the Health Care Industry. Our goal is to give you the "Peace of Mind" regarding your business, so that you can concentrate on helping your patients and giving up the title of office manager, bookkeeper, biller and much more.

We are HIPAA compliant and use only the most updated program for your billing and collections. We go to yearly seminars to keep up with the latest changes in the insurance industry and to make sure we are optimizing our billing efforts to get you your money on time.

If you have your own web-based software the fees and set up are different than if you are using our software. This can be discussed at a consult with your company.

Our clearinghouse is Change Healthcare. You will be billed .30 per claim which includes scrubbing the claims for errors, a complete routing of your claim from time of upload to payment. Reports will be furnished at the end of each month, so you can see where your claims are. If we use your software and clearing house this does not apply.

We are readily available to answer any questions you have by phone 770-864-5934 or by email pombllc@hushmail.com. We would ask that you set up a hushmail account as this is approved by HIPPA as an encrypted website. Go to www.hushmail.com and open an account today.

Our office hours are as follows: Monday 10-6 Tuesday 10-6 Wednesday 10-6 Thursday 10-6 Friday 10-6

We offer a referral program to help save you money, if you refer a provider to us and they sign a contract you will receive a 50.00 gift certificate to use on any bill from us. We build our business on referrals.

We look forward to working with you and making your practice the best it can be.
